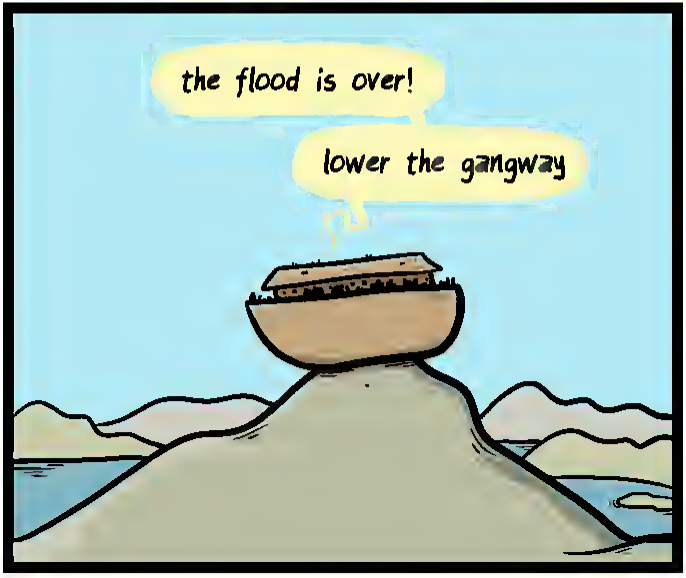
Evil can't swim

i miss my dog

the great flood must wash away all that is evil
he was, but don't worry...
i didn't think Xavier was evil

soon the waters will recede and you'll surely forget about your evil pet dog



the flood is over!
lower the gangway

LOOK! Is that...

Xavier?
Is that you?
Bark!

XAIVER!!
it IS you!

i knew you couldn't be evil

but how?

i'm a good buoy.
